Don't Take It Away

Conway Twitty

I been lookin' for you all night long, darlin'
You've got to talk to me
I wanna tell you how wrong I've been
And I won't do it againYou know that woman didn't mean a thing to me
I hope, I don't embarrass you too much
Here in front of all your friends
I'm gonna get down on my kneesPlease, let me make it
Please, I can give you up
'Cause you've made love
So good for me so longDon't take it away
'Cause love don't come easy
Darlin', I'm sorry
I stepped over the lineDon't take it away
Don't make me go crazy
'Cause I would follow you
To the ends of my mindFrom now on
I'm gonna be the kind of man
That you can lean onAnd when the waters of life
Get a little too rough or a little too deep
I'm gonna be your steppin' stoneAnd oh, I remember all those nights
That you used to take right a hold of me
And you'd hold onPlease, let me make it
Please, I can give you up
'Cause you've made love
So good for me so longDon't take it away
'Cause love don't come easy
Darlin', I'm sorry
I stepped over the lineDon't take it away
Don't make me go crazy
'Cause I would follow you
To the ends of my mind
