This Feels Like Summer

Arthur Walwin

Tequila shots and whisky fucking with my brain
My words are slurring, eyes are blurry, yeah-a-ay
This feels like summer la-la-la-la-la-love
You came in with your boy, but I don't see him now
It's just you and me girl, and I know you're down
This feels like summer la-la-la-la-la-loveSo take me back to feeling like
My legs are giving up tonight
This feels like summer, la-la-la-la-la-love
So tell me what you think I'm like
I'll get you alone and show you twice
This feels like summer, la-la-la-la-la-love and I'm drunkI can't keep my hands away, no oh oh
But do you even want me to, no oh oh
This feels like summer la-la-la-la-la-love
But girl I know that you're gonna go back home soon and never ever see me again
But understand that to me
This feels like summer, la-la-la-la-la-loveIf only we made these drinks last foreverSo why don't you take me back to feeling like
My legs are giving up tonight
This feels like summer, la-la-la-la-la-love
So tell me what you think I'm like
I'll get you alone and show you twice
This feels like summer, la-la-la-la-la-loveAnd I'm drunk in love with you
'Cause I'm a sucker for those late nights
And singing you to sleep so that you'd have to stay
And wake up next to me
But when the JÃ¤ger wears off
I'm hoping you still think I'm cuteSo take me back to feeling like
My legs are giving up tonight
This feels like summer, la-la-la-la-la-love
So tell me what you think I'm like
I'll get you alone and show you twice
This feels like summer, la-la-la-la-la-loveSo take me back to feeling like
My legs are giving up tonight
This feels like summer, la-la-la-la-la-love
So tell me what you think I'm like
Girl, you know
This feels like summer la-la-la-la-la-love
