Expectations vs Reality

The Merrell Twins

When you take a picture of yourself
Thinking you look great!But in reality,-YOU CAN'T GET A DATE!
You haven't been on Facebook for more than a week
No friend requests or notifications,-THAT'S A SLAP ON THE CHEEK!
You order something online and you get so excited
You get the box,open it and you feel slighted

Chorus:
Expectations Vs. Reality(REALITY!)
It doesn't turn out the way you want it to be

You studied last night
You're gonna ace this test!
You read the wrong chapter?-IT'S CARDIAC ARREST!

You walk out of school,trip and fall down
You hope for prince charming,you can leave me on the ground!

Chorus:
Expectations Vs.Reality(This is Reality!)doesn't turn out the way you want it to be (doesn't go your way)
Expectations Vs. Reality(Reality Check!)
It doesn't turn out the way
You want it to be

(Expectation!)
When you eat a burrito,
(Reality!)
You're Favorite shirt's not so neato!
(Expectations!)
The wind in your hair,
(Reality!)
It makes you gag-so unfair!
(Expectation!)
Cuddle with my sweet little mutt,
(Reality!)
A face full of butt!
(Expectation!)
A treat from the ice-cream man,
(Reality!)

Wha-What is this?

Chorus:
Expectations Vs. Reality(Aww man!)
(no!no!no!oh!oh!oh!)
Expectations Vs. Reality(What did you expect!)
It doesn't turn out the way you want it to be
