## Snckpck

Oooo!  
Alright!  
Mmmm!  
It's 1984 and I'm at a Chuck E Cheese right now and I'm feeling great  
Like real great  
Alright?  
Yes, so Imma get the coins  
I'm gonna put the coins in the machine  
Im gonna play this game and I'm not gonna get any tickets  
Cause it always takes my coins and I just want some tickets so I can buy a stuffed animal, Chuck E!  
Chuck E Cheese, why do you do this to me? Chuck E Cheese  
I just want a stuffed animal  
Chuck E Cheese, why do you do this to me? Chuck E Cheese  
You just beat me up and take all my coins  
Don't beat me up, but don't beat me up, don't beat me up and don't take my coins  
I wanna play, I wanna have fun!  
Wanna have fun!  
Chuck E Cheese!  
Don't put that cheese pizza in my mouth, nooooo!  
Please no, please no, please no, I just want a stuffed animal  
Imma put the coins in the ocean  
Imma put the coins in your mouth  
Imma stuff the coins up your nose, hey Chuck E Cheese, how you like that?  
Hey Chuck E Cheese, stop it!  
Hey Chuck E Cheese, you stop that!  
Hey Chuck E Cheese, you are a- you know, you're just a rat!  
So I go to the home depot, I buy a rattrap, and get a big dog  
Jumbo, rattrap! Bring it to Chuck E Cheese, then I set it  
Chuck E Cheese, hey come over here!  
Chuck E Cheese, here's the rat trap in your mouth!  
Hooooo! Ooooooh! Ohhhhh!  
Chuck E Cheese, you got trapped, ohhh!!! Ohhhhh!!! Woooooaaaahhh!  
Chuck E Cheese, you got trapped!  
Now I got Chuck E Cheese right where I want it!  
Chuck E Cheese, I'm gonna steal your stuffed animals  
Chuck E Cheese, take these coins and sell them  
Up your noise, not your butt because that would be a bad sentence  
A really bad sentence  
I love you, Chuck E Cheese, but I really wanted a stuffed animal

So I took it, I took it home  
And then I felt bad, and then I returned it the next daaaayyyyy
