

Desire

[Ryan Adams](#)

Two hearts fading, like a flower
And all this waiting for the power
For some answer to this fire
Sinking slowly, water's higher
Desire, desire
With no secrets, no obsession
This time I am speeding with no direction
Without a reason, what is this fire?
Burning slowly, my one and only
Desire, desire
Desire, desire
You know me, you know my way
You just can't show me, but God I'm praying
That you'll find me, and that you'll see me
And that you run and never tire
Desire, desire
Desire, desire
Desire, desire
Desire, desire
...
