

# Donâ€™t Go (Acoustic Version) [feat. Josh Kumra]

## Wretch 32

Don't go I don't know where you come from,  
But you're everywhere I go.  
I don't know why you chose me (why me?)  
But as long as you're here, I don't need to know. So don't go Yeah, when I got introduced to ya,  
I knew I'd be true to ya,  
Everyone wanted a piece,  
You whispered to me it's sweet 'cos it's me you love.  
And I feel it in my soul,  
It's like you're always with me on the road.  
Phone in my hand while I listen to you moan,  
And everybody in the car wants to try and get involved,  
Yeah, then you make her say the tone,  
Puppy love now, I'm like give a dog a bone,  
Shut me up how? I can breathe and have a flow,  
Our love's concrete  
We should leave it set in stone Yeah and whenever I'm in doubt,  
You forever calm me down  
And sometimes I'm a dummy  
And I know I would've crashed if you never was around So don't go,  
Don't leave,  
Please stay,  
With me,  
You are, the only thing, I need to get by,  
To get by. Yeah I spend a little change on you,  
But you always give it back.  
'Cause I know you ain't here for the money,  
You just wanna see me be the man  
So I've earned my respect like a true gentleman,  
All rumors were capital E relevant.  
We should get three two emblems,  
I give my life to you that's a street settlement. Don't go Yeah, I'm feeling ever so emotional,  
'Cause I never had nothing when approaching you,  
Sitting with a straight face on a poker move,  
That's why a song like this has been over due,  
Due over time,  
Time over,  
Love drunk you and I would die sober.  
I'm in this for forever and a day  
That's why anywhere I go,

They've got to put you on a plane So don't go,  
Don't leave,  
Please stay,  
With me,  
You are the only thing I need, to get by  
To get by See I swear, I ain't ever seen a sky so clear,  
Together were gonna make history,  
Why would you wanna be elsewhere?  
See I swear, I ain't ever seen a sky so clear,  
Together were gonna make history,  
Why would you wanna be elsewhere? Don't go leave me now Don't go leave me.  
Stay right here till my darks day in to light years I'ma shine.  
Don't go leave me  
Now,  
Don't go leave me.  
Loosing you is one of my fears,  
But I ain't selfish ill share, if I have to. So don't go,  
Don't leave,  
Please stay,  
With me,  
You are the only thing I need, to get by  
To get by. So don't go,  
Don't leave,  
Please stay,  
With me,  
You are the only thing I need, to get by  
To only get by.
