

# Sappy Restrain

## Crack Up

fake me, kill me, take me, you thrill me  
you made me disappear  
closed my eyes and cursed the fear  
i came down to make you see  
that life is not/my reality  
IT'S A SAPPY RESTRAIN  
COME WITH ME  
GO WITH ME  
BLESS ME  
i would never fall in love today  
i would never crack a smile  
i would never try another one  
i would never speak a word  
i would never try to say good-bye  
i would never stay another while  
i would never kill the family  
i would never leave the house  
i don't enjoy this anymore  
there's no corner on the floor
