## Bearfoot

Easier Days  
Bearfoot

Intro:

Being away from you, is killing me  
All that I want to do, is hold you tenderly  
After all itâ€™s true, youâ€™ve become part of me  
And after all weâ€™ve been through, I need you desperately

Chorus:

Days are easier, when Iâ€™m beside you  
One thing is clear to me girl, my heart resides in you  
Iâ€™m all about the lovinâ€™, that is inside of you

Break:

Time is wasted away, never found tears are too  
Every day Iâ€™m crying inside, searching for something new  
I just donâ€™t know what, donâ€™t know where to begin  
To fill that void in the puzzel, my mind is wandering in

Chorus:

But days are easier, when Iâ€™m beside you  
One thing is clear to me girl, my heart resides in you  
Iâ€™m all about the lovinâ€™, that is inside of you

Break:

Chorus:  
Days are easier, when Iâ€™m beside you  
One thing is clear to me girl, my heart resides in you  
Iâ€™m all about your lovinâ€™, yes, Iâ€™m all about your lovinâ€™
