

Don't Wanna Say Goodbye

Jeff Scott Soto

I can barely remember
What it was that made me walk away
 But something inside my heart
Is telling me I still love you, baby
 Now I'm walking all alone
 This cold December day
I see you come to me, but I can't see
'Cause all I wanna do is tell you, baby
 How many times
I daydreamed of what we could have been?
 And how many times
 I find myself asking why?
 I will never stop loving you
 Can you tell me what I gotta do
 'Cause I never wanna say goodbye
 Don't wanna say goodbye again
 Now I know that I was meant for you
 One more time I can't bear to lose
 I don't ever wanna say goodbye
 Don't wanna say goodbye again
 We thought it'd last forever
 But still I was swept away
What I thought I knew it wasn't true
I wish I wouldn't knew before today
 I always said I'd never
 Let myself lose again
 Yes, I found a way
 What I gotta do
 To get myself back to you
 How many times
I daydreamed of what we could have been?
 How many times
 I keep asking myself why?
 I will never stop loving you
 Can you tell me what I gotta do
 'Cause I never wanna say goodbye
 Don't wanna say goodbye again
 Now I know that I was meant for you
 One more time I can't bear to lose

I don't ever wanna say goodbye
Don't wanna say goodbye again
How can I get through to you?
I'm not even close to over you
 Telling you the truth
 Got me shaky
 There's nothing I won't do
 To get you right back next to me
 The way it's supposed to be
 I will never stop loving you
 Can you tell me what I gotta do
 'Cause I never wanna say goodbye
 Don't wanna say goodbye again
 Now I know that I was meant for you
 One more time I can't bear to lose
 I don't ever wanna say goodbye
 Don't wanna say goodbye again
 I will never stop loving you
 Can you tell me what I gotta do
 'Cause I never wanna say goodbye
 Don't wanna say goodbye again
 Now I know that I was meant for you
 One more time I can't bear to lose
 I don't ever wanna say goodbye
 Don't wanna say goodbye again
 Say goodbye
