May You Never

John Farnham

May you never lay your head down
Without a hand to hold
May you never make your bed out in the coldYou're just like a great and strong brother of mine
And you know that I love you true
You never talk dirty behind my back
And I know that there's those that doPlease won't you, please won't you bear it in mind?
Love is a lesson to learn in our time
Please won't you, please won't you bear it in mind for me?May you never lay your head down
Without a hand to hold
May you never make your bed out in the coldOh, you're just like a good and close sister to me
And you know that I love you true
You hold no blade to stab me in my back
And I know that there's those that doPlease won't you, please won't you bear it in mind?
Love is a lesson to learn in our time
Please won't you, please won't you bear it in mind for me?May you never lay your head down
Without a hand to hold
May you never make your bed out in the coldWell, you're just like a great and strong brother of mine
And you know that I love you like I should
You never talk about me behind my back
And I know that there's times you couldOh, please won't you, please, please bear it in mind?
Life is a lesson to learn in our time
Won't you, please won't you bear it in mind for me?May you never lose your temper
If you get hit in the bar room fight
May you never lose your woman overnightMay you never lay your head down
Without a hand to hold
May you never make your bed out in the coldOh, please won't you, please, please won't you bear it in mind?
Life is a lesson to learn in our time
Won't you, please won't you bear it in mind for me?Yeah, please won't you, please won't you bear it in mind for me?
Please, please, please won't you
Please, won't you bear it in mind for me?
