

# Opinion

## Zebrassieres

Congratulations you have won  
It's a year's subscription of bad puns  
And it makes your story of concern  
And you set it up before it burns  
My opinions, mmm, mmm  
My opinions, mmm, mmm  
My opinions, mmm, mmm  
My opinions, mmm, mmm  
And there seems to be a problem here  
And the state of emotion seems too clear  
Now you rise and fall like Wall Street stock  
And they have an affect on our peace talk  
Our opinions, mmm, mmm  
Our opinions, mmm, mmm  
Our opinions, mmm, mmm  
Our opinions, mmm, mmm  
Well congratulations you have won  
It's a year's subscription of bad puns  
And it makes your story of concern  
And you set it up before it burns  
And your opinions, mmm, mmm  
Your opinions, mmm, mmm  
Your opinions, mmm, mmm  
Your opinions, mmm, mmm  
Your opinions
