

Life in Technicolor II

Coldplay

There's a wild wind blowing,
Down the corner of my street
Every night there the headlights are glowing
There's a cold war coming,
On the radio I heard
Baby it's a violent world
Oh love don't let me go
Won't you take me where the streetlights glow
I could hear it coming
I could hear the sirens sound
Now my feet won't touch the ground
Time came a creepin'
Oh and time's a loaded gun
Every road is a ray of light
It goes on
Time only can lead you on
Still it's such a beautiful night
Oh love don't let me go
Won't you take me where the streetlights glow
I could hear it coming
Like a serenade of sound
Now my feet won't touch the ground
Gravity release me,
And don't ever hold me down
Now my feet won't touch the ground.
