

# Back for Good

Gary Barlow

I guess now it's time for me to give up I feel it's time  
Got a picture of you beside me got your lipstick mark still on your coffee cup  
Got a fist of pure emotion got a head of shattered dreams  
Gotta leave it, gotta leave it all behind now[Chorus]  
Whatever I said, whatever I did I didn't mean it I just want you back for good  
Whenever I'm wrong just tell me the song and I'll sing it  
You'll be right and understood I want you back for good Unaware but underlined I figured out this story it  
wasn't good  
But in the corner of my mind I celebrated glory  
But that was not to be in the twist of separation  
You excelled at being free can't you find a little room inside for me[Repeat chorus ]  
And we'll be together, this time is forever  
We'll be fighting and forever we will be so complete in our love  
We will never be uncovered again
