## Kardinal Offishall Feat. Akon

That womans got a smile  
Puts you in a trance  
And just one look at her  
Makes you want to danceThese dark and rosy lips  
Only pacify  
With just a hint of ruthlessness  
Sparkling in her eyeShes a teaser and shes got no heart at all  
Shes a teaser and shell tempt you 'til you fall  
Yes, shell tempt you 'til you fallShell talk to you in riddles  
That have no sense or rhyme  
And if you ask her what she means  
She says, she dont got no timeShes a teaser and shes got no heart at all  
Shes a teaser and shell tempt you 'til you fall  
Yes, shell tempt you 'til you fall
