

Marahuana

Bette Midler

I wait alone here in the Mexican sunlight
But the Mexican sunlight seems so lifeless and cold
Sad and forlorn, I try to find consolation
With a man desperation, I cannot withhold
Soothe me with your caress
Sweet marahuana. Oh, marahuana
Help me in my distress
Sweet marahuana, please do
You alone can bring my lover back to me
Even though I know it's all a fantasy
And then you must put me to sleep
Sweet marahuana, please do
You alone can bring my lover back to me
Even though I know it's all a fantasy
And then you must put me to sleep
Sweet marahuana, please do
