

Wasn't Born to Follow

Dusty Springfield

Your toy balloon has sailed in the sky, love
But now it must fall to the ground
Now your sad eyes reveal just how badly you feel
'Cause there is no easy way down The view from the cliffs must have been exciting
And up to the peaks you were bound
Now you're stranded alone and the past is unknown
And there is no easy way down No, it isn't very easy when you're left on your own
No, it isn't very easy when each road you take
Is one more mistake, there's no one to break your fall
And lead you back home, yeah We all like to climb to the heights of love
Where our fantasy world can be found
But you must know in the end when it's time to descend
That there is no easy way down
