

I'll Stay

Augustana

Advisory - the following lyrics contain explicit language:

I'll forget you and your lips
Half an hour and my heart stops beatin'
Used to love the things you did
I could want you but my heart is shattered(Chorus)
Love is such a cruel game
And it won't let you want to be the sameUntil you come down
Dream me down
And how does it feel, feel it down
Wastin' your breath
Just say the word
And I'll stayI was once a man like you
Half a day and then my love was faded
I can put if you want to
I can make your life a living hell(Chorus)
Love is such a cruel game
And it won't let you want to be the sameUntil you come down
Dream me down
And how does it feel, feel it down
Wastin' your breath
Just say the word
And I'll stayOhhh Yeah
I said love is such a cruel game
And it won't let you want to be the same
And it won't let you want to run awayUntil you come down
Dream me down
So turn around
Just say the word
Honey, no
Say the word
Don't let go
Say the wordAnd I'll stay
I'll stay

I'll stay Oh no no no no no
