I'll forget you and your lips Half an hour and my heart stops beatin' Used to love the things you did I could want you but my heart is shattered(Chorus) Love is such a cruel game And it won't let you want to be the sameUntil you come down Dream me down And how does it feel, feel it down Wastin' your breath Just say the word And I'll stayI was once a man like you Half a day and then my love was faded I can put if you want to I can make your life a living hell(Chorus) Love is such a cruel game And it won't let you want to be the sameUntil you come down Dream me down And how does it feel, feel it down Wastin' your breath Just say the word

Dream me down
So turn around
Just say the word
Honey, no
Say the word
Don't let go
Say the wordAnd I'll stay
I'll stay

And I'll stayOhhh Yeah
I said love is such a cruel game
And it won't let you want to be the same
And it won't let you want to run awayUntil you come down

I'll stayOh no no no no no
