Nowhere

Longview

You're not where you are
Only where you want to be
You're not what you've seen
Only what you could've beenAnd out of sight
Then out of mind
GoYou won't try you don't care
You won't try you don't care
You won't try you don't care
You won't try you don't careAnd keep moving fast
But still go nowhere
With so much to say
So what anyway?The sooner you see
The sooner you'll move
OnYou won't try you don't care
You won't try you don't care
You can't see you're not there
You don't talk you don't hear
You won't try you don't care
You don't feel it's so clear
You can't see you're not there
You won't try you don't careYou won't try you don't care
You can't see you're not there
You don't talk you don't hear
You don't feel it's so clear
You won't go you stay near
You won't try you don't care
You can't see you're not there
Do not believe you're not there
You are the same you're not rare
You don't care you don't care
