Pretend It's OK

Little Mix

What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OKI remember the day when we were out all night
I wish that I can get the day back and tell you it's alright
Cause we all do the same thing, we just don't realize
That we're living on borrowed timeWhat would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OKI see the light that I'm chasing
A memory, but it's fading
When it's gone I'll be waiting
Knowing it's too late (knowing it's too late)
You chose the road that I'm walking
Now it's your soul that I'm caught in
And you're not hearing when I'm calling
Calling your nameOne breath, one step, one life, one heart
Two words, two eyes, new beginning, new start
Too neat, too narrow, too short, too bright,
I'm there with you, here by my sideWhat would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OKNothing here, no one talking, knowing it's too late
But sometimes it can get so hard pretending it's OK
Nothing here, no one talking, nothing's gonna change
But sometimes it can get so hard pretending it's OKWhat would you do? (what would you do?)
What would you say? (what would you say?)
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OKWhat would you do? (what would you do?)
What would you say? (what would you say?)
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OKOh yeah
What would you do? What would you say?
Pretending it's OK
What would you do? What would you say?
