The Cure (Stripped)

Little Mix

[Verse 1: Perrie Edwards and Jesy Nelson]
I lost my faith, made my mistakes
Gonna find a way to make it easy
I'll be better on my own, believe me
Pain I hold back, can't live like that
Yeah, I made my peace with all of the sorrow
And now I'm livin' for tomorrow[Pre-Chorus: Jesy Nelson and Perrie Edwards]
I'm a girl with a new face, and a life that's been changed
You know, you know, you know?
[Chorus: Perrie Edwards + All]
I was a little bit lost, but I'm not anymore
I was a little bit hurt, but I'm not anymore
I was a little left out, but I'm not anymore
'Cause the tears fell down, but they don't anymore
I was a little messed up, but I'm not anymore
I was a little lucked out, but I'm not anymore
I was a little far gone, but I'm not anymore
Yeah it's alright now, baby I got the cure[Post-Chorus: Perrie Edwards]
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Yeah it's alright now, baby I got the cure
[Verse 2: Leigh-Anne Pinnock and Jade Thirlwall]
Now it's me and myself, yeah, don't need no one else
This happiness was always inside me
But Lord, it took a minute to find me
And this freedom I found is worth a million o' you now
And I'm puttin' all my troubles behind me
I only need my heart to guide me[Pre-Chorus: Leigh-Anne Pinnock and Jade Thirlwall]
I'm a girl with a new face, and a life that's been changed
You know, you know, you know? (you know, know, know, know)[Chorus: Perrie Edwards + All, (Leigh-Anne), (Jade Thirlwall)]
I was a little bit lost, but I'm not anymore (a little bit lost)
I was a little bit hurt, but I'm not anymore (ooh woah, oh, no-no-no)
I was a little left out, but I'm not anymore
'Cause the tears fell down, but they don't anymore
I was a little messed up, but I'm not anymore
I was a little lucked out, but I'm not anymore
I was a little far gone, but I'm not anymore

Yeah it's alright now, baby I got the cure[Post-Chorus: Perrie Edwards and Jesy Nelson]
Oh, oh, oh, oh, (I got the)
Oh, oh, oh, oh, (I got the)
Oh, oh, oh, oh, (I got the cure)
Yeah it's alright now, baby I got the cure
Oh, oh, oh, oh, (I got the)
Oh, oh, oh, oh, (I got the)
Oh, oh, oh, oh, (I got the cure)
Yeah it's alright now, baby I got the cure[Bridge: Leigh-Anne Pinnock and All]
And I
And I'll learn to love again
'Cause I
'Cause I finally understand
Ooh[Chorus: Perrie Edwards + All, (Jade Thirlwall), (Jesy Nelson)]
I was a little bit lost, but I'm not anymore
I was a little bit hurt, but I'm not anymore
I was a little left out, but I'm not anymore
(Little bit oh, little bit oh)
'Cause the tears fell down, but they don't anymore
I was a little messed up, but I'm not anymore
I was a little lucked out, but I'm not anymore
I was a little far gone, but I'm not anymore
(Tears fell down now, tears fell down now, tears fell down now, ooh)
Yeah it's alright now, baby I got the cure
I was a little bit lost, but I'm not anymore
I was a little bit hurt, but I'm not anymore
I was a little left out, but I'm not anymore (No, no more, no more)
'Cause the tears fell down, but they don't anymore
I was a little messed up, but I'm not anymore
I was a little lucked out, but I'm not anymore
I was a little far gone, but I'm not anymore
(No more, no more, no more)
Yeah it's alright now, baby I got the cure[Post-Chorus: Perrie Edwards and Jesy Nelson]
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Yeah it's alright now, baby I got the cure
Oh, oh, oh, oh, (I got the)
Oh, oh, oh, oh, (I got the)
Oh, oh, oh, oh, (I got the cure)
Yeah it's alright now, baby I got the cure
