Video Games

Lana Del Rey

Swinging in the backyard
Pull up in your fast car
Whistling my name
Open up a beer
And you say
Get over here
And play a video gameI'm in his favorite sun dress
Watching me get undressed
Take that body downtown
I say you the bestest
Lean in for a big kiss
Put his favorite perfume on
Go play a video gameIt's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby, now you doSinging in the old bars
Swinging with the old stars
Living for the fame
Kissing in the blue dark
Playing pool and wild darts
Video gamesHe holds me in his big arms
Drunk and I am seeing stars
This is all I think of
Watching all our friends fall
In and out of Old Paul's
This is my idea of fun
Playing video gamesIt's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls

Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby, now you doNow you do, now you do, now you do
Now you do, now you do, now you doIt's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby, now you doNow you do, now you do, now you do
Now you do
Now you do, now you do, now you do
