

# Jezebel

**Marty Wilde**

Jezebel wasn't born with a silver spoon in her mouth  
She probably had less than every one of us  
But when she knew how to walk she knew  
How to bring the house down  
Can't blame her for her beauty  
She wins with her hands down Jezebel, what a belle  
Looks like a princess in her new dress  
How did you get that?  
"Do you really want to know", she said  
It would seem she's on her way  
It's more, more than just a dream  
She put on her stockings and shoes  
Had nothing to lose, she said it was worth it Reach for the top  
And the sun is gonna shine  
"Every winter was a war", she said  
"I want to get what's mine" Jezebel, Jezebel  
Won't try to deny where she came from  
You can see it in her pride  
And the raven in her eyes  
Try show her a better way  
She'll say, "You don't know what you've been missing"  
By the time she blinks you know she won't be listening
