

Blue Eyed Blues (Redux)

[Rich Harper](#)

Ain't got my baby so I ain't got no heart
Ain't got my baby so I ain't got no heart
I'm drowning in a sea of pain my world is falling apart
Ain't got my baby so I can't go no where
Ain't got my baby so I can't go no where
When the one you love won't love you it's such a cross to bare
I miss my baby she had a twinkle in her eye
I miss my baby she had a twinkle in her eye
Possessed with all her beauty I couldn't move I was hypnotized
Can't see my future if she can't see it with me
Can't see my future if she can't see it with me
Should I call or page or fax her? Or should I just let her be?
