

Life Can Be So Nice

Prince

This mornin' there was joy in my heart
'Cause I know that I loved u so
Scrambled eggs are so boring
For you're all, all that I want to know
Kisses never lie when delivered
With milk from your lips
Morning glories never cry
My love for you, baby drips
Life can be so nice
It's a wonderful world, sweet paradise
Kiss me once, kiss me twice
Life can be so nice, so nice
Life can be so nice
No one plays the clarinet
The way you play my heart
I come a thousand different ways
Before I even start
You're so nice
Shivering madly
(Shivering madly in your embrace)
Your embrace
(Is it better than a trip)
Better than a trip
Morning glories never cry
(My love is just a drippin')
Morning glories crying
(Scrambled eggs are boring)
Embrace
(Mama, you're all I want to know)
I do love you baby
(This morning there was joy in my heart)
You baby
('Cause you know I loved you so, yeah)
Drips
Alright
Life can be so nice
It's a wonderful world, paradise
Kiss me once, kiss me twice
Life can be so nice
Life can be so nice
It's a wonderful world, paradise
Kiss me once, kiss me twice
Life can be so nice, so nice, so nice
