Morning Dew

Duane Allman

Walk me out in the morning dew, my heart
Walk me out in the morning dew, my heart
You know I can't walk you out in the morning dew, my heart
Oh, I can't walk you out in the morning dew, my heart

Thought I heard a young girl cry, yeah
Thought I heard a young girl cry, yeah
No, you didn't hear no young girl cry at all
No, you didn't hear no young girl cry

Thought I heard a young girl cry, yeah
Thought I heard a young girl cry, yeah
No, you didn't hear no young girl cry
No, you didn't hear no young girl cry at all

Now there is no morning dew
Now there is no morning dew
What they've been saying all these years has come true
What they've been saying all these years has come true

Got no morning dew, oh
