

Change My Mind (Radio Edit)

Billy Ray Cyrus

I've been talkin' to myself
Thinkin' 'bout changing my mind
I've been talkin' to myself
Thought I put your memory high upon a shelf Well, you know I said I'd forget you
You go away in time But lately I've been thinking
And I'm thinkin' 'bout changing my mind
Change my mind, you, hoo, hoo
Change my mind, change my mind, woho-hoo
Well, I said I love you and then I said goodbye
I know I made you haá¹—py and then I made you cry
If I promised you forever, then I told you a lie But lately I've been thinkin'
And I'm thinkin' 'bout changing my mind
Change my mind, you, hoo, hoo
Change my mind, change my mind, woho-hoo
Change my mind Thinkin' 'bout changing my mind
I've been talkin' to myself
Thought I put your memory high upon a shelf Well, you know I said I'd forget you
You go away in time
But lately I've been thinking
And I'm thinkin' 'bout changing my mind
Change my mind, you, hoo, hoo
Change my mind, change my mind, woho-hoo
Oh, I'll change my mind
