

# Rustling Trees

Wolfgang Michael

Oh rustling trees  
Whispering to me  
Take all my sorrows  
'Cause I won't need them tomorrow

Oh rustling trees  
Itâ€™s aching inside  
As no one wants  
Youâ€™ll seek me

People seem to change so fast  
Or maybe itâ€™s my mirrored path  
I'm standing silently apart  
Dust and wind; but there's a start

Oh rustling trees  
Whispering to me  
Take all my sorrows  
'Cause I won't need them tomorrow

Oh rustling trees  
Whispering to me  
Take all that's mine  
And I'll be happy inside

Oh rustling trees  
Your wrinkled leaves  
They tell me a story  
Of falling free  
Of falling free

People seem to change so fast  
Or maybe itâ€™s my mirrored path  
I'm standing silently apart  
Dust and wind; but there's a start

Oh rustling trees  
Whispering to me  
Take all my sorrows

'Cause I wonâ€™t need them tomorrow

Oh rustling trees  
Your wrinkled leaves  
They tell me a story  
Of falling free  
Of falling free
