Somebody Get Me A Doctor

Van Halen

Oh yeah
You better call me a doctor, feelin? no pain
Overloaded, down the drain
Somebody get me a doctor
You better call up the ambulance, I?m deep in shock
Overloaded baby, I can hardly walk
Somebody get me a doctor
Somebody get me a doctor
Yeah! I'm feelin? over fine and I?m speedin? down that line
Yeah baby, call up the doctor
Feelin' high
I'm overloaded baby, I'm sayin', "I'm fine"
Somebody get me a doctor
Somebody get me a doctor
Somebody get me a doctor
Somebody give me a shot
