

A Fool in Love

Ike Turner

There's something on my mind
Won't somebody please, please tell me what's wrong You're just a fool, you know you're in love
You've got to face it to live in this world
You take the good along with the bad
Sometimes you're happy and sometimes you're sad
You know you love him, you can't understand
Why he treats you like he do when he's such a good man He's got me smiling when I should be ashamed
Got me laughing when my heart is in pain
Oh no, I must be a fool
Cause I do anything you ask me to Without my man I don't want to live
You think I'm lying but I'm telling you like it is
He's got my nose open and that's no lie
And I, I'm gonna keep him satisfied
