Not What It Seems

DVo

A long day
If ever these questions were yours what would you say
You don't know
But I'm writing the answers on cheap paper napkins
And now he's turning off
And now she's shutting down
And it's not what it seems
Nothings the same when you give it away
No it's not what it seems
It's just what you think it is
And these fights
They climb through my veins like it's mecury rising
And these nights
I seem to remember a home that was better
And now he's turning off
And now she's shutting down
And it's not what it seems
Nothings the same when you give it away
No it's not what it seems
Its just what you think it is
And now he's turning off
His family's breaking down
And it's not what it seems
Nothings the same when you give it away
No it's not what it seems
Its just what you think it is it's just what you think it is
No it's not what it seems
Nothings the same when you give it away
No it's not what it seems
It's just what you think it is just what you think it is
It's just what you think it is
What you think it is
