

# Cradle

## The Rising

I will rock you like a baby, lover  
Cradled in my arms  
I will keep you safe from danger  
Shelter you from harm  
There will never be another lover  
Who treats you like I do  
We can drift into forever  
On a love that's made for two  
Don't you ever say this love's not special  
Don't you ever think it's not essential, baby  
I was only thinking of you  
Hoping you were thinking of me  
Two hearts beating just like one  
Against the world, baby  
I am always dreaming of you  
Hoping you are dreaming of me  
I could never live  
One day without your love  
I will kiss you like an angel, baby  
Cradled in my wings  
I will take you up to heaven  
Show you precious things  
If you promise that you love me  
If you promise that you care  
I will be here for you always  
And forever this I swear  
Don't you ever say this love's not special  
Don't you ever think it's not essential, baby  
I was only thinking of you  
Hoping you were thinking of me  
Two hearts beating just like one  
Against the world, baby  
I am always dreaming of you  
Hoping you are dreaming of me  
I could never live one day  
Without your love  
Though you say you want a love  
But you don't think you believe it  
Just open up your heart

And you know, you will receive it  
Oh baby, baby  
Don't you ever say this love's not special, no  
Don't you ever think it's not essential, baby  
I was only thinking of you  
Hoping you were thinking of me  
Two hearts beating just like one  
Against the world, baby  
I am only dreaming of you  
Hoping you are dreaming of me  
I could never live one day  
Without your love  
I was only, I was only, I was only thinkin' of you  
I was only, I was only, I was only thinkin' of you  
I was only, I was only, I was only thinkin' of you  
I was only, I was only, I was only thinkin', oh baby
