I Am, I Feel

Alisha's Attic

He said, "Angel, put that purple skirt on
You know it makes me hot"
He said, "Come on, come on, get on, get up
Look like you're enjoying my company"Oh and he said, "You can't change the world
You're another one of my fools
You were born to have my baby now
Don't cry, my precious one
'Coz I ain't got no sympathy for you"And I am, I feel, like
I wanna bite his head off
Yeah, that'd be fun
'Coz I sure got an appetiteI click my heels together three times
They sparked a little but nothing happened
And the big bad wolf's still in my bedI am, I feel
I sometimes think that you forget that
I am, I feel
I got to get away from here
I am, I feel
And this girl's a person you know
I am, I feelOh, he said, "Angel your halo ain't fitted
That good for a little while now
You ain't got that certain glow
That I get a kick out of"
Like it bothered meI'm taking it on the chin with a grin
But my feet are itchin' and itchin'
He says, "Don't cry, my precious one
'Coz I ain't got no sympathy for you"And I am, I feel, like
I wanna smash his face in
Yeah, that'd be fun
'Coz I sure got a fist for a fightI click my heels together three times
They sparked a little but nothing happened
And the big bad wolf's still in my bedAnd I am, I feel
I sometimes think that you forget that
I am, I feel
I got to get away from here
I am, I feel
And this girl's a person you know
I am, I feelWell, it's had to get through
When you're knockin' on wood
And I got to thinkin' I was worth more

Than he put on my boots
I got a soul if you get down to the rootsI am, I amI am, I feel
I sometimes think that you forget that
I am, I feel
I got to get away from here
I am, I feel
And this girl's a person you know
I am, I feelI am and I feel
I am and I feel
I am, I feel
This girl's a person you know
I am, I feelI am, I feel
I sometimes think that you forget that
I am and I feel
I got to get away from here
I am, I feel
And this girl's a person you know
