Alone

Halsey

Said he tried to phone me
But I never have time
He said that I never listen
But I don't even try
I got a new place in Cali But I'm gone every night
So I fill it with strangers so they keep 'em alive
She said she told you she knows me
But the face isn't right
She asked if I recognized her and I told her I mightSee, everywhere I go I got a million different people tryna' kick it
But I'm still alone in my mindI know you're dying to meet me
But I can just tell you this
Baby, as soon as you meet me
You'll wish that you never did
(You'll wish that you never did)I stayed a night out in Paris where they don't know my name
And I got into some trouble with that drink in my veins
I got a problem with parties 'Cause it's loud in my brain
And I can never say sorry 'Cause I won't take the blame
I know I always go missing And you're lying awake
But if you ask why I'm distant
Oh, I'm runnin' awayYou know that everywhere I go I got a million different people tryna' kick it
But I'm still alone in my mindI know you're dying to meet me
But I can just tell you this
Baby, as soon as you meet me
You'll wish that you never did
(You'll wish that you never did)I, I know you wanna
I, I know you wanna
I, I know you wanna
Slip under my armor
I, I know you wanna
I, I know you wanna
I, I know you wanna
Slip under my armorSee, everywhere I go I got a million different people tryna' hit it
But I'm still alone in my mindI know you're dying to meet me
But I can just tell you this
Baby, as soon as you meet me
You'll wish that you never did
(You'll wish that you never did)
Yeah, yeah(I know you wanna)

(I, I know you wanna) you'll wish that you never did
(I know you wanna) (Slip under my armor) oh
(I know you wanna) (I, I know you wanna) you'll wish that you never did
