

Visiting Statue

Grimes

I've been.

Oh I've been waiting definitely And my heart is here right next to me And I'm caught waiting in the rain x2
and I know and it *...wtf?* and I oh-oh-oh-I-I, oh-oh-oh-I-I-I-I
Hey hey you wanna play but baby I can go go And every other day you're running over flow but baby I'd
implore you if I didn't know you but I'm paying for it x2 ooh ha huh ha huh ah huh ah huh
Baby I'd implore you, if I didn't know you but I'm paying for it [
I hold on and I don't care what you say but the way it goes it's happening everyday I can't see straight *...?*

I hold on and I don't care what you say cause the way it goes it's happening everyday Everyday x 5 day d-day d-
day Everyday d-day d-day Everyday d-day d-day

Hey hey you wanna play but baby I can go go and every other day you're running over flow-flow baby I'd
implore you if I didn't know you but I'm paying for it x2
