

Babylon

Don McLean

By the waters
The waters of Babylon
We lay down and wept
And wept for, thee Zion
We remember, thee remember
Thee remember, thee ZionBy the waters
The waters of Babylon
We lay down and wept
And wept for thee Zion
We remember, thee remember
Thee remember, thee ZionBy the waters
The waters of Babylon
We lay down and wept
And wept for thee Zion
We remember, thee remember
Thee remember, thee Zion
