

Doomsday Disco

Lord of the Lost

Lost in the beat
Forget the terror of the chaos outside
There's no ecstasy
Quite like knowing that we've only tonight
War never sleeps
But this evening each new song is a gift
Sing it with me
Come on people raise your fist to the riff
We, we are, we are the dancefloor
We are united, we are damned
We, we are, we are the dancefloor
Every stranger is a friend
We, we are, we are the dancefloor
We begin to understand
We, we are, we are the dancefloor
We are damned
Doomsday disco
Armageddon, inferno
Hardcore, hardcore
Doomsday disco
Not afraid of the last show
I want more
Doomsday disco
Armageddon, inferno
Hardcore, hardcore
Doomsday disco
Not afraid of the last show
I want more
Stay close to me
We'll leave in unity - it's our death right
There's no rhapsody
To match the moment when our bodies entwined
We, we are, we are the dancefloor
We are united, we are damned
We, we are, we are the dancefloor
Every stranger is a friend
We are damned
Doomsday disco
Armageddon, inferno
Hardcore, hardcore
Doomsday disco
Not afraid of the last show

I want more
Doomsday disco
Armageddon, inferno
Hardcore, hardcore
Doomsday disco
Not afraid of the last show
I want moreDoomsday disco
Doomsday disco
Doomsday disco
Doomsday discoUnited by our fate, the night and the music
Everything you have left
Hell, you'd better use it
(We, we are, we are the dancefloor)
And all that we demand
(We, we are, we are the dancefloor)
We'll be together to the end)
(We, we are, we are the dancefloor)Doomsday disco
Armageddon, inferno
Hardcore, hardcore
Doomsday disco
Not afraid of the last show
I want moreDoomsday disco
Doomsday disco
Doomsday disco
Doomsday discoDoomsday disco
Armageddon, inferno
Hardcore, hardcore
Doomsday disco
Not afraid of the last show
I want more
