

Only When You Leave (Remastered)

Spandau Ballet

Layin' in the after glow
I only want to learn what you know
But now you're leavin'
How many hearts must you break?
Well how many calls must I make? But now you're leavin'
In this world all that I choose has come unbearable
But love is in your touch
Ooh, it's killing me so much Oh only when you leave
I'll need to love you
And when the action has all gone
I'm just a little fool enough to need you
A fool enough too long
Only when you leave, you'll leave in danger
Ooh, I'll make sure that you pay
So give a little passion to a stranger
And take this soul away I only want to make this things last
So how could this have gone so fast
And now you're leavin'
How many times must I learn
It's only when you've gone that I burn And now you're leavin'
In the end, all that is left has come unbearable
It's hard to change your mind
So leave it all behind Oh only when you leave
I'll need to love you
And when the action has all gone
I'm just a little fool enough to need you
A fool enough too long
Only when you leave, you'll leave in danger
Ooh, I'll make sure that you pay
So give a little passion to a stranger
And take this soul away Layin' in the after glow
I only want to learn what you know
Ooh, but now you're leavin'
How many hearts must you break
And how many calls must I make? But now you're leavin'
In this world all that I choose has come unbearable
But love is in your touch
Ooh, it's killing me so much Only when you leave
I'll need to love you

And when the action has all gone
I'm just a little fool enough to need you
A fool enough too long
Only when you leave, you'll leave in danger
Ooh, I'll make sure that you pay
So give a little passion to a stranger
And take this soul away Whoa, no no no no
Only when you leave, you'll leave in danger
Ooh, I'll make sure that you pay
So give a little passion to a stranger
