Easy

Something for Kate

I saved you the trouble
It was easy
I was dreaming of arrows
Following each other around
In a dance over waterIt was easy, it was great, I'll see you later
I read the sub-titles
Some trouble with water
And a rescue out at sea
And I got thinkingIt's never a golden age until past tense kicks in
And it's a mess that we're in
Can I say that
1 2 3 4
Easy [Repeat: x4]I saved you the trouble
It was easy
I was dreaming of arrows
Following each other around
In a dance over water
It was easy, it was great, I'll see you later
