

# I Love You Because

[Elvis Presley](#)

I love you because you understand dear  
Every single thing I try to do.  
You're always there to lend a helping hand, dear.  
I love you most of all because you're you.No matter what the world may say about me,  
I know your love will always see me through.  
I love you for the way you never doubt me.  
But most of all I love you 'cause you're you.No matter what may be the style or season,  
I know your heart will always be true.  
I love you for a hundred thousand reasons,  
But most of all I love you 'cause you're you.
