Cupid

Kyla

Boy if I told you I love you
That doesn't mean that I don't care, oooh
And when I tell you I need you
Don't you think that I'll can never be there, ooooh Baby I'm so tired of the way you turn my words into
Deception and lies
Don't misunderstand me when I try to speak my mind
I'm only saying what's in my heart
Cupid doesn't lie
But you won't know unless you give it a try
Oh baby, true love
won't lie but you won't know unless we give it a try
give it a try Boy when I ask you to trust me
That doesn't mean that I'm gonna cheat on you
Cuz I'm gonna never do anything to hurt you
Or mislead you, I love you Baby I'm so tired of the way you turn my words into
Deception and lies
Don't misunderstand me when I try to speak my mind
I'm only saying what's in my heart
Cupid doesn't lie
But you won't know unless you give it a try
Oh baby, true love
won't lie but you won't know unless we give it a try
give it a try Ain't no doubt about it
Lord no, I really mean it
I rather die before I, before I lie to you
Never wanna leave you
Ain't no life without you
Never gonna leave, never gonna go,
No.No, no, no, no, no, no, no, ohhhh Baby I'm so tired of the way you turn my words into
Deception and lies
Don't misunderstand me when I try to speak my mind
I'm only saying what's in my heart
Cupid doesn't lie
But you won't know unless you give it a try
Oh baby, true love
won't lie but you won't know unless we give it a try
give it a try Ain't no doubt about it
Lord no, I really mean it
I rather die before I, before I lie to you

Never wanna leave you
Ain't no life without you
Never gonna leave, never gonna go,
No.No, no, no, no, no, no, no, ohhhh
