Heartbeat (feat.Nicole Scherzinger)

Enrique Iglesias

Heartbeat, Heartbeat, heart heartbeat Heartbeat, heartbeat Heartbeat, heart heartbeatI saw you talking on the phone I know that you are not alone But you steal my heart away Yeah you steal my heart awayYou're acting like you're on your own But I saw you standing with a girl Stop tryn' to steal my heart away, Stop tryn' to steal my heart awayI don't know where we're going I don't know who we areI can feel your heartbeat I can feel your heartbeat He said to me I can feel your heartbeat Running through me Feel your heartbeat She said I can feel your heartbeat She said to me I can feel your heartbeat She said to me I can feel your heartbeat Running through me Heartbeat Feel your heartbeatMaybe it's the way you move You got me dreaming like a fool That I could steal your heart away I could steal your heart awayNo matter what it is you think I'm not the kind of girl to blink And give my heart away Stop tryin' steal my heart awayI don't know where we're going I don't know who we areI can feel your heartbeat He said to me I can feel your heartbeat He said to me I can feel your heartbeat Running through me Heartbeat Feel your heartbeat

She said I can feel your heartbeat She said to me I can feel your heartbeat She said to me I can feel your heartbeat Running through meStop stealing my heart away Stop stealing my heart away Stop stealing my heart away You're stealing my heart awayI don't know where we're going I don't know who we are Feels like we are floating High above the stars, the stars, the stars, the starsHeartbeat, Heartbeat, heart heartbeat But I can feel it I can feel it I can feel it I can feel it, I canI can feel your heartbeat He said to me I can feel your heartbeat He said to me I can feel your heartbeat Running through me Your heartbeat, feel your heartbeat She said I can feel your heartbeat She said to me I can feel your heartbeat She said to me I can feel your heartbeat Running through me Heartbeat Feel your heartbeatStop stealing my heart away Tell it to me girl Stop stealing my heart away Give it to me boy Stop stealing my heart away Say it to me girl You're stealing my heart awayStop stealing my heart away Stop stealing my heart away Stop stealing my heart away Your heartbeat.
