

Love Is Cold (You Were Never No Good)

Culture Club

You were never no good (x4)Oh no...
You say that love is wrong
'cause I know that love is strong
When you get it from some they say
That love is just thrown away
Did they ever love you my wayYou were never no good (x4)Oh no...
Someone is gonna pay
For taking my heart away
If it's love that you want to show
How am I supposed to know
In my wayYou were never no good (x20)Did you say that love is wrong
You showed you were weak from the strong
You keep leaving me to feel
That wicked emotion you steal
You don't understand
