

# When You Say Nothing At All

[Nick Lachey](#)

It's amazing how you can speak right to my heart.  
Without saying a word, you can light up the dark.  
Try as they may I could never explain what I hear when you don't say a thing.  
The smile on your face, lets me know that you need me.  
Theres a truth in your eyes, saying you'll never leave me.  
The touch of you hands, says you'll catch me whenever I fall.  
You say it best, when you say nothing at all.  
All day long I can hear people talking aloud, But when you hold me near you drown out the crowd.  
Try as they may, they could never define whats being said between your heart and mine.  
The smile on your face, lets me know that you need me.  
Theres a truth in your eyes, that says you'll never leave me.  
The touch of hands, says you'll catch me whenever I fall.  
You say it best, when you say nothing at all.  
The smile on your face, lets me know that you need me.  
Theres a truth in your eyes, that says you'll never leave me.  
I know you'll catch me whenever I fall.  
You say it best when you say nothing at all.  
It's so amazing, without you saying a word.  
I know you'll catch me, you wont leave me alone.
