

Just A Little

Play

Uh oh
Yeah yeah
Hmm Lately, I been tryin' to ask you boy
If maybe, I can get much closer to you
I like the way that you move, oh yeah And you're so innocent
Please don't take this wrong 'cause it's a compliment
I just wanna get with your flow
You've gotta learn to let go
Oh baby, won't you Work it a little
Get hot, just a little
Meet me, in the middle
Let go, just a little bit more
(Just a little bit more)
Gimme just a little bit more
(Just a little) Let me, I'll do anything if you just let me
(Come on baby)
Find a way to make you explore
I know you wanna break down those walls, yeah And it's so challenging
Getting close to you, what I'm imagining
I just wanna see you get down
You gotta let it all out
Oh baby, won't you Work it a little
Get hot, just a little
Meet me, in the middle
Let go, just a little bit more
(Let go just a little)
Gimme just a little bit more
(Gimme just a little bit more) Work it a little
Get hot, just a little
(Just a little bit)
Meet me, in the middle
Let go, just a little bit more
(Oh , just a little bit more)
Gimme just a little bit more
(Just a little) It's so exciting, the way you're inviting me
(I know you really like it like that, ah)
I can't get enough, won't you satisfy my needs
(Will you? Will you?) Work it a little
Get hot, just a little

Meet me, in the middle
Let go, just a little bit more
(Just a little bit more)
Gimme just a little bit more
(Just a little bit more, just a little bit)Work it a little
Get hot, just a little
Meet me, in the middle
Let go, just a little bit more
Gimme just a little bit more
(Oh, just a little bit more, just a little bit more)Work it a little
Get hot, just a little
Meet me, in the middle
(Just a little, oh, meet me)
Let go, just a little bit more
(In the middle, let go)
Gimme just a little bit more
(Oh, gimme just a little bit more)Lately, I been tryin' to ask you boy
(Work it, get hot)
If maybe
(Meet me, let go)
I like the way that you move
Gimme just a little bit more
You've gotta let go
