

# A Wannabe

## Pain

Did you wanna crawl around in the dirt  
Can't get up your knees  
You get back to the hurt  
You do the time, while others do the crime  
Your whole life is falling down  
Do you wanna be the president?  
Do you wanna be the judge?  
Will you fight for the innocent? or do you wanna be a wannabe a, be the real deal  
Do you wanna be a hipocrite?  
Do you wanna be a fraud?  
Can you feel that your living it?  
Or do you wanna be a wannabe a, be the real thing  
Don't believe in everything that you see  
All connecting on the news on TV  
It pulls you left to right to make you live in fear  
Seize the magic Bring rain  
Do you wanna be the president?  
Do you wanna be the judge?  
Will you fight for the innocent?  
Or do u wanna be a wannabe a, be the real deal  
Do you wanna be a hipocrite?  
Do you wanna be a fraud?  
Can you feel that you are living it?  
Or do you wanna be a wannabe a, be the real thing Do you wanna be the president?  
Do you wanna be the judge?  
Will you fight for the innocent?  
Or do u wanna be a wannabe a, be the real deal  
Do you wanna be a hipocrite?  
Do you wanna be a fraud?  
Can you feel that you are living it?  
Or do you wanna be a wannabe a, be the real thing!
