Advisory - the following lyrics contain explicit language:

It's just another simple voice mail message  
I'll pick you up, and we'll do dinner by the fire  
And we'll just watch it snow  
It's from a year ago Baby, I love you, and I can't wait to see you tonight  
I've been thinking 'bout you all day long  
She pushes nine to save  
She still can't erase 'Cause it makes her feel close  
Makes her smile, it's like he's  
With her almost  
'Til the tears take over She's still in hell  
But she tells herself  
She's ready to let him go  
'Cause that makes her feel close It's just a worn out Notre Dame t-shirt  
She's gotten mad and tried to throw that thing away  
At least a hundred times  
But she's got it on tonight He used to wear it on the weekend just running around  
Probably forgot he even left it behind  
She says it keeps her warm  
Oh, but it's so much more It makes her feel close  
Makes her smile, it's like he's  
With her almost  
'Til the tears take over She's still in hell  
But she tells herself  
She's ready to let him go  
'Cause that makes her feel close Just sayin' goodbye  
Gettin' on with her life  
Maybe give love another try  
One more try, one more try It makes her feel close  
Makes her smile, it's like he's  
With her almost  
'Til the tears take over She's still in hell  
But she tells herself

She's ready to let him go  
'Cause that makes her feel, it makes her feel close  
It makes her feel close, makes her feelIt's just a worn out Notre Dame t-shirt  
She's gotten mad and tried to throw that thing away  
At least a hundred times  
But she's got it on tonight
