

# Baby Sister

[Dolly Parton](#)

Baby sister, what a waste to see you in this place  
I lose my mind from worrying over you  
In a bar room filled with people all higher than a steeple  
But I know why you do the things you do And I curse the man that made you what you are today  
I hope he dies a thousand times a thousand ways  
Your eyes are filled with tears, sis let's get out of here  
'Cause I love you, baby sister, let's go home And I curse the man that made you what you are today  
I hope he dies a thousand times a thousand ways  
Your eyes are filled with tears, sis let's get out of here  
'Cause I love you, baby sister, let's go home  
'Cause I love you, baby sister, let's go home
