Rebellion (Lies)

Vitamin String Quartet

Sleeping is giving in, no matter what the time is Sleeping is giving in, so lift those heavy eyelids

People say that you'll die, faster than without water

But we know it's just a lie, scare your son, scare your daughterPeople say that your dreams are the only things that save you

Come on baby in our dreams, we can live our misbehaviorEvery time you close your eyes

(Lies, lies)

Every time you close your eyes

(Lies, lies)

Every time you close your eyes

(Lies, lies)

Every time you close your eyes

(Lies, lies)Every time you close your eyes

Every time you close your eyes

Every time you close your eyes

Every time you close your eyesPeople try and hide the night underneath the covers

People try and hide the light underneath the coversCome on hide your lovers underneath the covers

Come on hide your lovers underneath the covers

Hidin' from your brothers underneath the covers

Come on hide your lovers underneath the coversPeople say that you'll die faster than without water

But we know it's just a lie, scare your son, scare your daughter

Scare your son, scare your daughter

Scare your son, scare your daughterNow here's the sun, it's alright

(Lies, lies)

Now here's the moon, it's alright

(Lies, lies)

Now here's the sun, it's alright

(Lies, lies)

Now here's the moon it's alright

(Lies, lies)Every time you close your eyes

(Lies, lies)

Every time you close your eyes

(Lies, lies)

Every time you close your eyes

(Lies, lies)

Every time you close your eyes

(Lies, lies)Every time you close your eyesEvery time you close your eyesEvery time you close your eyes(Lies,

lies)
