

Throw Ya Hands Up (With Lady Bunny)

[RuPaul](#)

Bunny- "Now Ru, it's been along time since we've been together"

Ru- "That's right, Bunny, let's get out there and let these children have it

Throw ya hands up, it's time to get down

(Come on, you)

Gotta work it out, gotta work, gotta work it out

Everybody get wild

Yo' man done did you wrong, so honey leave that mess at home

Call yo' girlfriends up on the phone (hello?)

Time to dash, grab ya stash, get yo' party on

Time-time's a wastin', no more-hesitatin'

You need a change of pace and we're here to motivate cha'

For your information, here's the situation

Never give up, never give up

The groove is your salvation

Every eye's on you, causing a scandal with those moves

You're givin' em legendary attitude,

Bottles poppin, cameras watchin', now pose for YouTube

We got the rhythm to make you move, now let us see what you can do

I'm talking to you, I'm talking to you, and you too

Now get in the groove, yeah yeah
